WARRANT FOR THE ANNUAL TOWN MEETING
THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 1 P.M. TO 7:30 P.M.
BUSINESS MEETING 7:30 P.M.

To the inhabitants of the Town of Salisbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Salisbury on Tuesday, the 13th day of March next at one of the clock in the afternoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

4. To hear reports of the officers of the Town heretofore chosen, agents, auditors, and committees appointed and pass any vote relating thereto.

5. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on notes of the Town in anticipation of taxes.

6. To see if the Town will vote to use $3500.00 of the Capital Reserve Fund interest for maintenance of roads in the Flood Control Basin.

7. To see if the Town will vote to transfer $1500.00 from its unencumbered surplus to the Town Hall and Parking Lot Capital Reserve Fund.

8. To see if the Town will vote to transfer $3000.00 from its unencumbered surplus to the Fire Equipment Capital Reserve Fund.

9. To see if the Town will vote to transfer $1000.00 from its unencumbered surplus to the Reassessment of Town Capital Reserve Fund.

10. To see if the Town will vote to establish a Capital Reserve Fund to be used at some future time to build an addition to the fire station to provide an Emergency Services Center for the Town.

11. To see if the Town will vote to transfer $3000.00 from its unencumbered surplus to the Emergency Services Center Capital Reserve Fund.

12. To see if the Town will vote to authorize the Selectmen to accept Anti-Recessionary Funds as established under the provisions of the Public Works Employment Act of 1976, as amended.

13. To see if the Town will vote to raise and appropriate the sum of $5075.00 for the purchase of a cruiser for the Police Department, with the Town to be reimbursed one-half of said amount from federal funds approved for this purpose by the New Hampshire Highway Safety Agency. (Submitted without recommendation of the Budget Committee.)

14. To see if the Town will vote to increase the membership of the Conservation Committee from five to seven. (Submitted by petition.)

15. To see if the Town will vote to adopt a dog ordinance which will call for constant control of dogs by their owners at all times in all areas of the Town, either by leash, chain, enclosure, or confinement to property of the owner; and to give the Chief of Police and/or authorized Dog Officers full authority to enforce this ordinance.

16. Be it resolved by the Town of Salisbury that the New Hampshire Housing Commission be and is authorized to operate in the Town of Salisbury, in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project for elderly/low income persons under Section 8 of the U. S. Housing Act of 1937 as amended, for the following accommodations: existing standard housing, 5 dwelling units.

17. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated; and further, to authorize the Selectmen to make prorate reductions in the amounts if estimated entitlements are reduced, or take any other action hereon?

Board of Selectmen
Salisbury, New Hampshire

February 7, 1979

Gentlemen:

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Salisbury for the year ended December 31, 1978, which was made by Nathan Wechsler & Company in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, and Salisbury Free Library.

FINANCIAL STATEMENTS

Comparative Balance Sheets as of December 31, 1978 and 1977: (Exhibit A-1)

Comparative balance sheets, as of December 31, 1978 and 1977, are presented in Exhibit A-1. As indicated therein, the fund balance of the Town decreased $12,497 from $31,848 to $19,351 in 1978. The balance sheet fund balance of $19,351 represents the current fund balance (excess of total current assets over current liabilities) on December 31, 1978.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These are as follows:

Analysis of Change in Financial Condition

Decrease in Fund Balance:

Surplus Used to Reduce Tax Rate	$ 9,500
Add: Net Budget Deficit	2,997
Net Decrease in Fund Balance	$12,497

Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Statements of appropriations and expenditures, estimated and actual revenues for the year ended December 31, 1978 are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), net overexpended appropriations of $1,609 plus a net revenue deficit of $1,388 resulted in a net budget deficit of $2,997.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Salisbury for their assistance during the course of the audit.

Very truly yours,

Nathan Wechsler & Company
Certified Public Accountants

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Salisbury for the year ended December 31, 1978.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The accompanying balance sheet does not include property and equipment owned by the Town.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Salisbury at December 31, 1978, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Nathan Wechsler & Company
Certified Public Accountants

OFFICE OF THE SELECTMEN

The Selectmen feel that the Town of Salisbury concluded another successful year on the 31st of December, 1978. Progress was made in numerous areas, growth of the town was controlled, the financial condition of the Town is sound, and the outlook for further progress in 1979 is good.

By the end of the summer, under the personal direction of Selectman Reagan, the Pingrey Bridge had been brought back to the required 6-ton limit, and at year's end only a minor amount of work to the northern approach to the bridge was needed to complete the project. Cost of the repairs has been well under the estimate.

Bids were received for the repair of both the South Road Bridge and Peters Bridge. N. & H. Paving, Inc. was the low bidder and was awarded the contract. Repairs to the South Road Bridge began in the early fall and, except for chinking the granite block abutments, were completed before the onset of cold weather. Work will be finished in the spring. Repairs to the Peters Bridge will begin in the spring also.

Additional Highway Subsidy funds received by the Town were used for improvement of roads in the Flood Control Area. Major reconstruction was done in the Mill Brook area of Mill Road and areas subject to flooding on Warner Road and Couchtown Road improved. It is anticipated that the Additional Highway Subsidy funds received in 1979 will again be used for further improvement of roads in this area for year-round allweather access.

The interior renovation and painting of the Town Hall was completed before Town Meeting, at a cost well under the builder's estimate. In September the Budget Committee approved to begin the enlargement and renovation of the Town Hall kitchen. Before the end of the year, new cabinets and appliances had been purchased and work was scheduled to begin in late February. It is planned that Revenue Sharing funds will be used to complete the project.

For the fourth consecutive year, it was not necessary for the Selectmen to borrow short-term money in anticipation of taxes. The surplus funds of the Town and the forebearance of the Merrimack Valley School District made it possible for the Town to operate entirely on its own financial resources, something which very few towns are able to do.

In response to last year's Town Meeting action to revive the Dump Committee, the Selectmen, and particularly Selectman Fletcher, took the initiative in attempting to determine how the Town could best be served in this regard. After considerable study, it was their conclusion that the needs of the townspeople could best be met if a landfill facility were located in town, provided there was no significant difference in cost over the arrangement currently in effect with Lakes Region Disposal in Danbury. A proposal by Edward Sawyer to operate a private landfill under contract to the Town was found acceptable both to the Selectmen and to the Budget Committee and after receipt of site approval from the Department of Health and Welfare, the landfill began operation early in December. Initial reaction to the change has been highly favorable.

Old Home Day in August was a resounding success, and reflected all the time and effort Martha Patten and her committee spent on their plans and preparations for the big day.

The Selectmen wish to thank the many people who gave unstintingly of their time in the past year in order that Salisbury might be a safer and better place for all of us to live. At the same time they must note that the lack of understanding and compassion some residents have for the problems elected officials face in their daily operations makes their jobs even more difficult and takes away some of the incentive to serve.

We encourage more paople to take an active role in the planning and development of the Town. Your help is needed if the Town is to grow and yet retain the character and preserve the quality of life that brought you here or has kept you here over the years.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has existed since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. As an advisory body, the Commission is often invited to participate in local planning projects. As a part of its technical assistance program the Commission has been pleased to be able to assist the Planning Board with resource map preparation, RSA interpretation and building code review.

The Commission again sponsored a series of legal seminars and was pleased to see the Town Of Salisbury represented.

The Commission is currently preparing reports or model ordinances in the areas of wetland protection, building codes, farmland preservation and septic tank installation. The Commission trusts that these will benefit all concerned.

The Commission hopes to be able to continue to serve the needs of its member communities in future years and appreciates the past support of its activities by the Town of Salisbury.

Respectfully Submitted,

William Cameron
Kenneth Mailloux

SALISBURY CONSERVATION COMMISSION

For the Conservation Commission, 1978 was an eventful year. We began our public education program by inviting Ronald Evans, the local Fish and Game officer, to show the film, "Patterns of the Wild", to Bartlett Junior Grange. The film dealt with the ecological balance of nature and raised many questions in the minds of the young people which Mr. Evans subsequently answered. DeeDee Jamieson, a former youth conservation camper, also spoke to the group about her experiences.

We continued to work on the improvement of the Memorial Park area by arranging a meeting with Arthur Luce, county soil conservation officer. Based on his recommendation, we plan to lay drainage pipe and add fill to make the area usable.

Wendy Bartlett was the 1978 Youth Conservation Camper. She attended the annual camp in June at Interlocken in Hillsborough. Each year, we reserve space at the camp for one teen-aged boy and one teen-aged girl. If you are interested in attending, please contact one of the commissioners.

Our second annual vegetable table at the Historical Society's Antique Fair was an even bigger success than the first. We had for sale a large and varied assortment of beautiful vegetables from many of Salisbury's gardens. Thank you all for the generous donation of your bounty. Many thanks also to Chibby Phillips for her help with the sale.

In July, the New England Power Company began spraying with an herbicide under their power lines which pass through Salisbury. After an unsuccessful attempt to prevent the spraying, the Conservation Commission advised the power company, in writing, that they were in violation of a town ordinance passed at the March 1976 Town Meeting. The power company ignored this advisement and returned to spray again. This time, Sam McCain confronted the spraying contractor with the facts and the Commission was able to stop the spraying. The matter is currently being investigated by the power compay's legal counsel. We expect that there may be more incidents like this in the future and we need the help of the townspeople. If you see anyone spraying under power lines, please report it to one of the Conservation Commissioners immediately. Time is essential.

In November, we became the grateful recipients of five acres of wooded land on Raccoon Hill. Donald Martin, a member of the Bristol Conservation Commission, generously donated this property to us. We expect that one of our major projects in 1979 will be to decide upon and implement a program for the use of this land.

POLICE DEPARTMENT

In the year 1978, the Salisbury Police Department brought 53 cases into Franklin District Court for trial. Prosecution of these cases resulted in 48 convictions, giving the Department a 91 per cent conviction rate for the year.

The Police Department would like to take this opportunity to express its regret for the resignation of Sergeant John Lovejoy as a regular member of the force. We would like to thank John for his years of service and dedication to the Department, and hope he will continue to serve as a Special Officer in the years to come.

The Police Department has requested that funds for the purchase of a police cruiser be included in the Town Budget for 1979. Federal funding of one-half of the initial cost of the cruiser has already been approved by the New Hampshire Highway Safety Agency so that the ultimate cost to the Town will be approximately $2550.00. We hope the people of Salisbury will give this matter careful consideration when it comes before them at Town Meeting in March. A cruiser will help us to better protect your lives and property.

Thank you,

Robert W. Bentley
Chief, Salisbury Police Dept.

SALISBURY FREE LIBRARY

1978 was a very successful year for the Salisbury Free Library. There were many changes initiated by the Library Trustees this past year, i.e. increase in Library hours from 5 (summer), 7 (winter) to 12 hours year round, summer time story hour for children ages 3 to 8, and the borrowing program for the elementary school children. The 12 hours per week has proved to be successful in that the library is now available to patrons on a more convenient basis. The Library is now open Tuesday afternoons and evenings in addition to the established Friday evenings and Saturday afternoons. The story hour attracted on the average 10 children each Tuesday morning for the six week session. A good time was had by both the children and the readers. In addition to reading many stories the children enjoyed games, songs and records. Elementary school children continued to visit the Library every other week in order to further learn library procedure.

We have had more than 1806 books borrowed this past year, and have added 164 books to our collection.

This past year there were 186 patrons using our Library on a regular basis, over double the number in previous years.

We wish to thank the many people, readers, friends, drivers of school children, teachers, who helped to make the past year so successful. Special thanks is extended to our three librarians this year - Meriellen Chamberlin, Gail Armstrong, and Mildred Stahl - for all their hard work and dedication.
